Rochester, has very kindly pointed out an error in our caption of the Bark Kathleen. He writes that Moby Dick was written in 1851 and therefore could not have been inspired by the sinking of the Bark Kathleen by an angry whale in 1902. Sorry, the incident brought the white whale to mind but certainly the inspiration was misplaced by about fifty years.

School Committee Officers

Mr. Marshall Ross was elected chairman of the Mattapoisett School Committee at a meeting on March 13th. Mr. Robert A. Silveira was elected secretary and Mrs. Blanche B. Perry will be the member representative to the Old Rochester Regional District School Committee with Mr. Silveira as alternate member. In the past, and only on a limited number of times, it has been found that only one member can be contacted to sign pay-rolls. If this situation does come about,

Woman's Club News

The regular March monthly meeting of the
Mattapoisett Woman's Club will be held
this Thursday, March 22nd, in the form of
"Show and Tell Day". All members are
asked to participate. There will be a
display of crafts such as needlework,
ceramics, scrimshaw and an art display of
paintings and sculpture. A day of this
kind is only as good as its club members
make it. So don't be shy. Let other mem-
bers see what you do in your spare time.
Your creations should be in by Wednesday,
March 21st. Please call Mrs. Luen John-
son at 758-2510.

Attention Committee Chairmen: All annual
reports have to be presented to your Presi-
dent by March 22nd.

The Ways and Means Committee will spon-
sor an auction which will take place on Fri-
day, March 23rd, at 7:00 P.M. at the Con-
gregational Church Parish Hall. All do-
nations will be appreciated except clothing
and pianos. Call Mrs. Kjeld Jensen or

seault and Robert E. Donovan of the Massachusetts Department of Public Health and Roger Tippy of the Department of the Attorney General.

Discussion at this meeting centered on the opening of the new landfill dump and the open burning at the old dump adjoining Route 195. The group looked over the dump and town officials outlined the steps taken by the town toward the landfill operation scheduled to begin May 1. The State officials indicated that a hearing will be held on the situation at a date in the near future.

At present, rubbish collection and disposal will proceed as usual.

BROOKE ON FLOOD INSURANCE

Senator Edward Brooke has sent a letter to the Board of Selectmen of Mattapoisett to encourage the town to adopt the Flood Plain Insurance program.

HUD has notified the Town that effective March 16, 1973 local property and casualty agents could start selling additional coverage in Mattapoisett under HUD's National Flood Insurance Program for new or substantially improved construction which was started after the emergency program became effective. Rates and Flood Plain Maps are on file at the Mattapoisett Town Hall.

WANTS SIGN

The Mattapoisett Historical Society has applied to the Outdoor Advertising Commission for permission to install a sign on Route 6 in front of the K of C hall.

AYLMER OPPOSED BILL

The Mattapoisett Board of Selectmen has received a letter from Senator John Aylmer stating that he voted in opposition to a bill that would have extended the membership of the town in the Southeastern Regional Planning & Economic Development Commission from the present 5 year period to a 10 year period. The Selectmen had requested this action from the Senator.

VITAMIN C

Vitamin C, or ascorbic acid, is a delicate vitamin, not well stored in the body and easily destroyed by heat.

It supplies a kind of cementing substance that binds together in the blood vessels, teeth, bones and other tissues. Loss of it causes the capillary blood vessels to break rather easily, producing such symptoms as spongy and bleeding gums, bleeding under the skin, poor teeth, and tender joints.

The best known sources of vitamin C are citrus fruits and tomatoes.

Daily requirements of vitamin C are in the range of 30 to 100 milligrams in healthy individuals; much larger doses are used therapeutically.

ANIMAL INSPECTOR

Leonard A. Randall has been nominated to the State by the Mattapoisett Board of Selectmen as inspector of animals.

FASHION SHOW CANCELLED

The Beeline Fashion Show, sponsored by the Mattapoisett Firefighters Auxiliary, scheduled for Thursday, March 22nd, has been cancelled. There will be a regular meeting of the Auxiliary on Wednesday, March 21st, as usual. All members are asked to try and be there for an important discussion on the scholarship fund. Follow-

ing the meeting there will be a Ghost Style Show. Hostesses will be Mrs. Paul Kelley and Mrs. Walter Morgado.

'Magic Carpet' Carnival

All six classrooms in the 1937 building of Mattapoisett Center School will receive maximum use for the school year beginning September 1973. The middle section of the entire plant has wooden floors. As you all know, desks, etc., in classrooms today no longer are stationary and the noise generated by the occupancy of the third floor rooms is disturbing to the people using the rooms below. In order to eliminate this disturbance it is hoped to raise enough money to defray the expense of carpeting three rooms on the top floor. A "Magic Carpet Carnival" will be held on the grounds of Center School on Saturday, April 14th. The School Committee has given its approval for this fund raising event.

The sale and carnival will include such features as: bake sale, refreshments, plants, books, crafts, charcoal sketches, silhouettes, attic or cellar treasures, used toys and outgrown children's clothing.

For pickup of any items please call one of the following members of the Coordinating Committee: Kathy Lynch, 2777; Marge McGonigle, 4259; Margreta Pothier, 6009; or Kathy Riley, 4447.

Historic Shed Saved

DRIVE REACHES \$830.

Sparked by contributions of \$200. from the Mattapoissett Historical Society and \$100. from the Guild, the public drive for funds to restore the shed at the Mattapoissett Congregational Church has reached \$830.

Preliminary cost estimate for the restoration work was \$500. The committee sponsoring the fund-raising reports that any funds remaining after the work is completed will be kept in a special account for maintaining the building in the future.

The thanks of the committee is extended to all who took part in any way in making the drive a success. Contributors of the smallest to largest amounts will assure that the historic building--which would have been razed if public support for its preservation was not forthcoming--will maintain its charm and remain a part of the town's historical heritage. In addition to money, there were many donations of labor and material received with heartfelt thanks.

The four-bay shed adjacent to the church is not a carriage shed as originally thought but a building used in years past for sheltering horses. This information was passed on to Win Jenney, committee chairman, by Miss Dorothy Fox who is active in the Historical Society.

Anyone who thought he might like to contribute but who hasn't yet done so is reminded that additional funds collected will assure proper maintenance of the structure in the future and will be kept in

Senior Citizens Club

The Senior Citizens' Club of Mattapoisett held a meeting at the Drop-In Center on Monday, March 12th. The meeting was presided over by Mrs. Sophie Sterling, president. There was a large attendance and a great deal of business was covered. The Senior Senate News was distributed. Mrs. Frank Bogie reported on the Senior Senate meeting she attended as alternate delegate. Thirty-one out of a total of 36 clubs were represented.

The Senior Citizens' Clubs are becoming involved in politics. It is necessary to protect and preserve their rights. Senior Power is a mighty Power. In Mattapoisett alone there are approximately 1,000 Seniors. That amount of votes could swing any election, locally and otherwise. The Seniors here and elsewhere are determined to cast their vote for performances not promises.

GOODSPEED ISLAND VANDALISM

Please be informed that there is a deplorable condition going on at "Goodspeed Island". One factor is that it seems "aliens" from New Bedford have found themselves a picnic area. Something should be done immediately. As I walked through there one day, like I do every so often, I was shocked. On the ground were beer cans, garbage from last summer's picnics, and most of all trees chopped down needlessly. For years this has been one of my favorite spots. I would not walk down there anymore because I am ashamed that this has gone this far. Before the nice weather comes I think outsiders should be stopped because it is out of control as far as littering.

"A concerned citizen"

PLEASE DRIVE WITH CARE

Her name was Cleo. She was black with long fur and her eyes were as round as an owl's. She had a very loud purr, a sweet personality, and always had milk on her nose. She was killed by a car at 5 o'clock on the evening of January 15th. She was 9 months old.

Because a young girl was heart-broken, as we all were, and because Cleo's twin sister, Tara, was lonely, we rushed everywhere in the next two days and finally found Theodore.

He was all gray, with long hair and a pale gray nose. He had a loud purr too,

and was full of mischief. We named him for the P.O.W. whose bracelet was worn by the girl. He was killed by a car at 6:30 P.M. on March 13th. He was 5 months old and had spent the day chasing bees in the sun.

Mechanic Street is very short between blocks. There seems to be no need to drive so fast and then brake hard at the corners.

Perhaps whoever hit our kittens didn't know it. Perhaps they didn't care. Perhaps they still won't

But please - for those who do, drive slowly as you come to the yellow house with the sloping roof and the white picket fence. We still have Tara, who is eleven months old, and Sam who is 17 years now and doesn't hear or see so well anymore. And just maybe, we'll try once more because Tara and the girl are lonely again.

Mrs. Joan C. Randall

WANTS NEW DIRECTION

We, the taxpayers, are presently faced with the problem of reorganization in our local schools. I think it is time for the taxpayers to decide what direction they choose to go in. I humbly submit this presentation to the town in hopes that it will trigger active interest in the decision to be made.

PHILOSOPHY

Under present structure, (C), child is
put thru four separate philosophies in
12 years; truly an educational mishmash!
He goes from basically modern concepts,
to traditional concepts, to very modern
concepts, to traditional concepts, with of
course many variations in each, according
to the particular educational beliefs of each
Principal.

What are we doing to our children? Is
this lack of continuity good? Doesn't it
result in mass confusion on the part of
children and parents?

But at the same time, are we really to
make a building commitment, when we know
we cannot accurately project our future en-
rollment at this time?

This proposal is based on adding 3 rooms to
Old Hammondtown by September '73 by pur-
chasing 2 portables. Put off any permanent
building decisions for at least 18 months
until we can be more positive which way our
enrollment will go. When a decision is

reached and portables are no longer needed,
Region could purchase them from Mattapoi-
sett for the Superintendent's office which
will definitely be needed in the near future.

Dog Law Replacement?

Editorial, D.C.J.

The trouble with having laws on the books
that are not enforced is that people become
motivated to overreact in trying to correct
the situation. Mattapoisett's dog law is
respected by most dog owners. It is ig-
nored by others, either in full or in part.
The fact that some dogs are roaming on
their own and that this abuse of the law
has created nuisance for some people has
led inevitably to a proposal for a new law.
This law, which will be considered by the
annual Mattapoisett Town Meeting as Arti-
cles 96 & 97 would replace the present re-
straining law by prohibiting any dog in the
open without a leash unless they are within
the bounds of their owner's property. This
law requires the service of a full time dog
officer with salary, equipment and supplies.
It sets a system of fines for violators capped
by court action for the 5th offense.

While the intent of this law is excellent
and the motivation understandable, Mattapoi-
sett voters will have to judge for themselves
whether this law goes beyond the need to
penalize dog owners who have always re-
spected the present law. Voters will have
to weigh the present law against the new
one and perhaps decide to request enforce-
ment of the law that we now have as an
alternative.

I would hate to see well behaved dogs,
under the command of their owners, unable
to run free in the town limits. There are
many yards in town and very few have suf-
ficient space to allow a satisfactory walk
with a dog. Leashing on the street is an

excellent idea for most dogs but no one can convince me that a well behaved dog should not be allowed freedom in open, unoccupied areas under the direct command of a master. I seriously question that a full time dog officer is either necessary or that the expense is justified even by the present situation. I do think that the enforcement of the present law is now dependent on complaints because dogs can be seen loose almost at any time and place. How long would this continue if an effort were made to round up and confine the violators? I doubt that it would require 8 hours a day to correct the situation. Many may like to see an attempt made to enforce the law on the books before voting to replace it with a new one that may be far more rigid and expensive than is necessary to do the job.

FISH News

In February FISH of Mattapoisett sponsored a coffee at the Harbor Beach Club in Mattapoisett. New residents of 1 year or less were invited along with FISH volunteers. A very informative discussion took place after which preconceived misconceptions were cleared up. Quite a new volunteers were recruited. The coffee was such a success that future ones are planned.

FISH volunteers provide a variety of services. One service FISH provides quite frequently is transportation. This is their busiest service. During the month of February FISH provided transportation for 2 1/2 weeks to a woman whose husband was in

the hospital. Transportation was also provided to another individual to and from a physician's office.

Anyone who would like to volunteer for any of the services FISH provides is asked to contact Nancy MacDonald.

Mrs. Florence Cornell, non-stop auction-
eer from Lakeville, will be in action Friday
night, March 23rd, at 7 o'clock at the Mat-
tapoisett Woman's Club's auction in the
Congregational Church Parish Hall on Church
Street.

Known for her ability to "get something
for nothing" in terms of her sales pitch,
Mrs. Cornell also is fair in her dealings
with the public, pointing out serious flaws
in items she puts on the block.

The Woman's Club auction is being direct-
ed by Mrs. Kjeld Jensen, chairman of the
organization's Ways and Means Committee,
who asks people with items they would like
to donate to please call her at 758-6245 or
Mrs. Paul Zagame at 758-6436.

Mrs. Jensen and members of her committee
will be on hand at the church during the
day March 23rd to receive donations, and
provisions will be made to transport larger
items.

Proceeds of the auction will benefit the
club's scholarship fund.

Lenten Heifer Project

FAIR TO BENEFIT LENTEN PROJECT

Again the children of the Mattapoisett Congregational Church School for their Lenten Project will support the Heifer Project by holding a fair on Saturday afternoon, March 31, from 1 to 4 P.M. in the Church Parish Hall. The fair is open to the public. Games of skill, trips to the Church Tower, food, refreshments, horoscopes - these are just a few of the activities being planned.

The Heifer Project has sent food-producing animals - goats, sheep, pigs, rabbits, bees, chicks - to 84 different countries since 1944. A practical approach to world hunger, the gift of the animal provides food for today and a con-

tinuing supply for the future. Training in livestock care and technical assistance are also given so that maximum benefits result from every gift. Distribution is made on the basis of need without regard to race or religion.

Mattapoisett Grange

Mattapoisett Grange held its bi-monthly meeting Thursday evening, March 15th, with the worthy overseer presiding in the absence of the master.

The report of the successful supper the committee put on for Sippican Pomona when they made their annual visit, Saturday, March 3rd, was given. Also, Mrs. Harris gave a report on the success of the yard sale in the hall on Saturday, March 10th. Everyone was thanked who helped in any way. Mrs. Olive Gifford received the lecturer's prize and Fred Wilson, master of West Wareham Grange received the ways and means package.

Mr. and Mrs. Earle Wilson presented a fine program in observing Spring and St. Patrick's Day.

Sandwiches and soda were served during the social hour.

"DOLLARS FOR SCHOLARS" NEEDS YOU

Write yourself a memo to remind you that you should attend the organizational meeting to be held at Old Rochester Regional High School at 7:30 P.M. on Monday, March 26th.

The proper name is the Old Rochester Regional School District Chapter of the Citizens Scholarship Foundation. The purpose is to generate funds for scholarships for student citizens of the three towns included in the District based on need and scholarship. Students may be in any year of college or may be taking specialized training such as nurses training.

A total of \$3,000.00 in scholarships was awarded last year to eleven students.

This is a working organization which requires an active steering organization and the help of many hands. There is a place for you to contribute based on the time you have available.

The object is financial aid to our young people in our three towns. Please volunteer a few hours. We need both parents and interested friends of your young people now.

See you at ORRHS on the 26th.

students) and Center School has some classroom space, there is need to give serious consideration to the related questions of maximum utilization of all existing classroom space and the necessity for an addition to Old Hammondtown.

As a point of information, at the school committee meeting held on March 13, 1973, the administration recommended that approximately one-half of the present third grade remain at Center School, and the other half proceed as usual to Old Hammondtown for the coming school year. Possible ways of creating in the future a K-6 grade organization at both Center School and Old Hammondtown were also discussed at this meeting.

It is hoped that you will make every effort to attend this important meeting. The issues at stake are vital enough to warrant

your personal appearance on the 27th of March.

Sea Scout News

CAMPAIGN TO RAISE FUNDS

After a good start this Fall and Winter which involved a canoe trip, a tour of a Coast Guard cutter, a 4-day camping trip on the Cape, and boating safety classes, the new coed Mattapoisett Sea Explorers are preparing to face another season of boating. The group's 18-foot catboat will require more than the usual maintenance work to ready it for the water. Work is to be started immediately, but the final cost of repairing, re-equipping, and insuring the boat is still above the means of the present treasury. For this reason a fund-raising campaign will be kicked off on Saturday, March 24th, with a car wash at the fire station. Hours will be 9-5 and in the event of rain the car wash will be rescheduled for the following Saturday. Plans are being made to run two booths at the annual Country Fair at the High School. One will be a basketball shooting contest, while the other will be involved with selling used phonograph records. If you have any records that you would be willing to donate, whether they're classical, rock 'n roll, jazz or Transyl-

Junior Grange

Mattapoisett Junior Grange will meet this Friday night, March 23rd, in the Grange Hall. A program will be presented by the lecturer, Marybeth Breton.

A workshop was held last week at the home of Mrs. Mildred LeBaron. Projects were started and will be finished at home. The next workshop will be held at Mrs. LeBaron's Wednesday, March 21st, at 6 P.M. Those to attend are to be Richard Barrows, William and Christine Linhares, Matthew Hiller, Eddie Horne, and master and lecturer of the Juniors.

Boys are to bring an oatmeal box and whatever trimming they wish or a plastic meat tray. The girls are to bring a meat tray and felt for bean bags, and yarn if they wish to embroider a picture on the tray.

STRATTON TO BROCKTON

Pupils in grades one through six at Carney Academy who have studied about the important contributions of people of the black race to our Nation's history will be exhibiting their work at the YWCA lobby during the month of march. A map of Africa, Animals of Africa constructed from cardboard, black heroes from both the historical past and contemporary times are shown by the children. Work books are on exhibit. The theme "Black is Beautiful" is portrayed in paintings and poetry.

The exhibit is open to the public from 9 to 9 daily through this month.

Alpine Ski Club (formerly called Adult Ski Club) is now making plans for the final ski weekend, March 30-April 1, and also for the annual club banquet. Open Sports Nights on the third Wednesdays are continuing with a cordial invitation to prospective club members and YWCA members with current cards.

Trips for Junior and Senior Ski Clubs for this year have come to an end. Spring and summer plans are underway, which will include a day trip to Martha's Vineyard with bicycling on the island. Splash parties combined with sports will be scheduled.

District's Views Invited

STUDDS' MEETINGS IN AREA

Rep. Gerry E. Studds, D-Mass., has announced three more open meetings have been scheduled with 12th District residents "to keep in close touch with the views and problems of the people".

Studds, accompanied by members of his Greater New Bedford Office staff, will be at the Southworth Library, 732 Dartmouth Street, South Dartmouth, between 7:30 and 9:00 P.M. on Friday, March 23; the Wareham Town Hall, Wareham, between 2:00 and 4:00 P.M. on Sunday, March 25; and the Marion Town Hall between 4:15 and 6:15 P.M. Sunday, March 25.

"In past weeks I have met informally with local residents on both Martha's Vineyard and Nantucket and in the Towns of Norwell, Hingham, Plymouth and Weymouth. I expect to hold these open meetings with local residents in each town of in the 12th Congressional District," Studds said.

The Congressman, who maintains full-time offices in Hanover, New Bedford and Hyannis, urged local residents to "come to these meetings and share your views with me."

New Hampshire. Over one hundred teachers will participate in this two year program.

Mr. Walsh and Mr. Normand will be utilizing lessons and units designed by specialists with international backgrounds. Advice as to topic, style, format and reading difficulty will be relayed from field test teacher to curriculum developer. The teachers will receive guides for studying cultures and evaluation forms with their materials.

Units on Touzans and Peru were the initial efforts of the project. Also, planned this year are materials relating to village life in Afghanistan and Southeast Asia. Also

proposed are more general topics such as "Human Behavior-Human Culture" and "Population and Societies".

STUDDS WANTS ACTION ON FOOD PRICES

Rep Gerry E. Studds, D-Mass., has joined other members in introducing a resolution on the House floor to establish a new committee "to oversee the cost and availability of food to the American Consumer."

"Government economists are now predicting an increase in retail food prices for 1973 in excess of 6.5% -- which would be the largest annual increase in the past 22 years," Studds said.

"This rising cost of everyday food staples

is quickly becoming a national emergency. In January of this year, a typical American family's annual food bill jumped by 2.7%, the largest increase since the government began keeping records in 1947."

The 12th District Congressman said the resolution, if adopted by the full House membership, would establish a 12 member "Select Committee on the Cost and Availability of Food" with the mandate of conducting a "full and complete investigation of all matters affecting, influencing and pertaining to the cost and availability of food to the American consumer."

Studds said the Committee would have
